

Welcome to in-person worship!

In order to ensure everyone's safety, we are following the latest CDC and NY state guidelines for religious institutions. Our worship has been modified to incorporate these protocols. We are grateful for your compliance, and hope that you are blessed by God's word and by our hospitality for this morning's worship!

- Please USE the sanitizer before and after you touch any surfaces, for your protection and the protection of those who follow you.
- Please wear your face mask for the entire time you are in the sanctuary except when taking communion.
- Pick up your sealed wafer upon entering the sanctuary.
- Greeters will seat you, either together with household members or 6 feet apart for non-household members.
- Sharing of the peace is contact free with non-household members.
- Humming the tune and meditating on the words of the hymns are encouraged.
- Offering may be given upon entering or leaving the building in designated places in the back of the sanctuary.
- Greeters will kindly guide you outside after the service ends.
- You are invited to congregate, visit and catch up with fellow brothers and sisters in Christ outside following worship.

Restrooms (including a changing table) are located downstairs and are accessed through the lift or the stairway door in the narthex.
